Subject: Matching Grant for Non-Profits

Hi, I am writing to pass some information on to your IT person.

We are web design company that focuses on nonprofit web design in order to assist nonprofits in achieving as much good in their communities as possible.

We realize that nonprofits have unique needs, and for this reason, we have a special 1 for 1 grant match campaign. **We gave more than \$600K in assistance to over 150 nonprofit organizations last year alone. We would be glad to help your website reach its full potential.**

Please take a look [at http://www.elevation-webmail.com/1for1Match](http://www.elevation-webmail.com/1for1Match) to learn more about our company and our 1 for 1 match program, and don't hesitate to contact me with any questions.

Kind Regards,

Kristen
